

ACEC MEMBERSHIP HAS ITS ADVANTAGES

Premium Associate Membership

The best business opportunities are built through relationships. Membership in ACEC-Canada provides your company with the opportunity to connect with the leaders of Canada's consulting engineering companies. By becoming a premium associate member, your firm is connected to what's going on in the industry and is kept abreast of opportunities.

Moreover, because each and every membership application is vetted, the badge of ACEC Canada membership also sends the market a strong message of credibility that your company is amongst the few and the most respected.

This membership is ideal for any company or organization that wants to support their basic membership with "entry-level" marketing. This enhanced benefits program includes:
