

Announcement: Mario Péroquin 26 January 2010

Péroquin is AECOM's new National Transit Lead

AECOM is pleased to announce that Mario Péroquin, MBA, has joined the company as Transit Leader for Canada.

Mario has 25 years experience in the railway, public transit and transportation industries. Prior to joining AECOM, Mario was Director of Mobility at Siemens Canada. Over his career he has also held positions with the City of Ottawa, Transportation Safety Board of Canada, Transport Canada and Canadian National Railway.

In this newly created position, Mario will be responsible for developing strategy and resource plans to develop business and oversee AECOM's projects in the transit sector in Canada.

AECOM (NYSE: ACM) is a global provider of professional technical and management support services to a broad range of markets, including transportation, facilities, environmental, energy, water and government. With approximately 45,000 employees around the world, AECOM is a leader in all of the key markets that it serves. AECOM provides a blend of global reach, local knowledge, innovation, and technical excellence in delivering solutions that enhance and sustain the world's built, natural, and social environments. A Fortune 500 company, AECOM serves clients in more than 100 countries and had revenue of \$6.1 billion during its fiscal year 2009. More information on AECOM and its services can be found at www.aecom.com.
