QUEBEC

A strong industry Serving society

Bienvenue!

FIDIC Annual Conference
7 - 10 September 2008

Quebec, unique

Quebec combines the best of two worlds. A resort city with a distinctive European cachet, this UNESCO world heritage treasure is also blessed by exceptional natural surroundings and a setting beyond compare. The only walled city north of Mexico, it is proud of a history blending French and English influences.

Brought to you by

International Federation of Consulting Engineers
Association of Consulting Engineers of Canada
Association of Consulting Engineers of Quebec

FIDIC is charged with promoting and implementing the consulting engineering industry's strategic goals on behalf of 74 Member Associations. FIDIC member firms endorse FIDIC's statutes and comply with FIDIC's Code of Ethics.

ACEC promotes and safeguards the business and professional interests of the Canadian consulting engineering industry in Canada and abroad. Today it represents some 600 consulting engineering firms and 11 provincial and territorial organizations.

ACEQ is an ACEC member organization for Quebec, representing some 100 member firms with over 10,000 staff.

A topical theme

A strong consulting engineering industry to serve society better

- Influencing society
- Delivering quality
- Building strong organizations

Plenary sessions and workshops will explore how the consulting engineering industry continues to develop its capacity to meet effectively society's needs.
