Please note: The winner of the Allen D. Williams Scholarship 2019 has an opportunity to participate in the FIDIC Young Professional Management Training Program starting in January 2019 and ending at the FIDIC Conference in Mexico. Scholarship winners are encouraged to participate in this Professional Development Program!

There is no obligation for the judges to make an award in a given year if, in their opinion, entries received do not reach a standard sufficiently worthy of merit.

The scholarship winner must be with the same employer at the time of the FIDIC Conference to qualify for scholarship award benefits.
